2017 RED WINE BLEND SOUTH AUSTRALIA

This wine was borne of a journey across the World. The hope of the travellers all but ended when they reached the shore. Little did they realise that in the darkest of places beauty and brilliance thrive.

VINEYARD

Our vines grow strong and robust in the heartland of South Australia's vineyard regions. Bright, warm summers and deep sandy loam over limestone soils ensures they flourish to produce intensely flavoured, perfectly ripened grapes.

WINEMAKING

As the sun slowly rises and a new day begins carefully selected parcels of Shiraz, Grenache, Malbec and Petit Verdot are picked at perfect ripeness levels and transported the short distance to the winery. Here they are gently crushed before fermentation under temperature control to preserve the intense flavour and colour.

Each base wine was assessed and then unified with the skill of a true artisan to create a luscious berry driven palate that intriguing and truly indulgent. A heady blend that sings with vibrancy and finishes with a dark, earthy swoon.
