2019 RED WINE BLEND SOUTH AUSTRALIA

This wine was borne of a journey across the World. The hope of the travellers all but ended when they reached the shore. Little did they realise that in the darkest of places beauty and brilliance thrive.

VINEYARD

Our vines grow strong and robust in the heartland of South Australia's vineyard regions. Bright, warm summers and deep sandy loam over limestone soils ensures they flourish to produce intensely flavoured, perfectly ripened grapes.

WINEMAKING

As a new dawn begins our vineyard crew harvest carefully selected parcels of Shiraz, Grenache, Malbec and Petit Verdot in the cool of morning. The grapes are then transported a short distance to our 110 year old winery. Upon arrival they are gently crushed prior to fermentation under temperature control to preserve the vibrant flavours and aromas.

Each parcel is assessed and the blending skills of our winemakers come to the fore as they assemble an intriguing and indulgent dark berry driven palate.

A voluptuous blend that abounds in vibrancy and finishes with a dark heady swoon.
