2023 BRANDY BARREL AGED CABERNET SAUVIGNON

SOUTH AUSTRALIA

A true story that began with hope and ended with wine. Hopes End pays tribute to the free settlers who have travelled to South Australia in search of a better life. We chose the best Brandy Barrels from Australia's most awarded, artisanal distillery to age this rich, exotic Cabernet Sauvignon.

VINEYARD

Our vines grow strong and robust in the heartland of South Australia's vineyard regions. Bright, warm summers and deep sandy loam over limestone soils ensures they flourish to produce intensely flavoured, perfectly ripened grapes.

WINEMAKING

In the cool of the early morning specially selected parcels of Cabernet Sauvignon are picked at their juicy best and brought into our 115 year old winery. Here they are gently crushed and nurtured through fermentation and pressing to preserve the delicious flavours born in the vineyard. Our first duty is to fashion a Cabernet Sauvignon which speaks of the sundrenched vineyards of South Australia, soft juicy and ripe. This pristine Cabernet Sauvignon, the most noble variety, is then aged in barrels, previously used to mature the drink of heroes; Australia's most awarded Brandy. These aged barrels lend the wine a sophistication not found in less refined alternatives, bringing spice and length.

TASTING NOTES
